Newsletter of the INTERNATIONAL SPACE:1999 ALLIANCE Volume 3 Number 6

Victor Bergman will be 41 years old on June 27th. *(Happy Birthday, Vic!)*

MAIN COMPUTER BACK ISSUES: How many didn't receive MC#1 Vol. 3 (Oct. '80)? It was sent out to all who were members as of July 1980, as well as to 300 non-members who attended Con '80. Also, back issues (except #1) have recently been sent to all who've joined or renewed since Jan. 1st, 1981. If you haven't received yours, please notify John and Kathy at Alliance HQ.

WE REPORTED earlier this year that we have a new Canadian Section Rep, and thought it'd be a good idea to let everyone get acquainted with her. She writes: *My name is Sandra Sprecker, and I'll be graduating from grade 12 this year, not knowing yet what I really want to do. I became involved in SF, then STAR TREK, in grade 6, and when SPACE:1999 came along first season I jumped in with both feet, but it was on Friday nights and I couldn't get to see it so I lost it until Year Two came along and Tony and Maya grabbed me right back in again! This is my first year as Alliance Rep. I'm a fan writer and thespian with a love of BUCK ROGERS, BSG and of course STAR WARS I and II.*

RUMOR HATH IT that Southern Section Rep (and Go-fer Squad Commander) Ann Hester is looking forward(?) to having some minor surgery done. Members might want to drop her a note and wish her well. Her address is 315 Willow Ave., Warner Robins, GA 31093.

Dialogue Quiz

There was a misprint in the last newsletter. The winner of the third quiz was Lori - not Lois-Nelson. (Sorry, Lori!) Since the deadline was so soon this time around, we haven't a winner to report yet for last month's contest. We'll announce the results of that one in the next *MC*. We do have another bit of dialogue. It is:

"Those about to live salute you..."

The first member to send in the episode and name of the character who's speaking wins a free in-stock color 1999 photo. Send your entry to Alliance HQ today! (The deadline is June 30th; only entries postmarked on or before that date will be considered.)

SPACECON '81 UPDATE 3

SPACE:1999 CONVENTION '81 -- AUGUST 7-9, 1981

in ATLANTA, GEORGIA

We have now received acceptances from:
GERRY ANDERSON, JOHN HUG, ZIENIA MERTON, SUZANNE ROQUETTE
and BARRY GRAY!

OUR GUESTS (SO FAR) THIS YEAR:
This will be Gerry's second visit with us. Those of us who met him in 1978 remember what a true gentleman he is, with his own unique sense of humor. A guest well worth meeting. (After all, we wouldn't be getting together at this annual con if it weren't for him!)

For John Hug (Bill Frasier, Year Two), this visit will be a new experience. Although his character wasn't a featured one in the series, we're sure John will have many interesting stories to tell and news to share with us.

Suzanne Roquette (Tanya Alexander, Year One) and Zienia Merton (Sandra Benes Years One and Two) are the first female leads from the series to accept our invitation to this convention. All right, all you guys out there, it's finally your turn after three years. Let's show Suzanne and Zienia the same courteous warmth and friendship we've shown the guests at our previous cons. If they enjoy themselves, it will help tremendously our chances of getting other female guests in the future.

This year will be Barry Gray's third visit with us. Most of you already know what a fine British gentleman he is. His music, generosity--both with his time, and in donating rare memorabilia for the charity auction--keen interest and support throughout the year bring a special quality to the convention weekend. He was much missed last year, and so is looked forward to even more this year.

Although Christopher Lee and Erin Gray have phoned and written (respectively) to say that their schedules won't permit them to attend, Dave Prowse is a possibility....

AND DEALERS, we have DEALERS! Their support is stronger this year than ever before, and the hucksters room is filling up fast--we've even had to expand the amount of space available. Besides the excellent folks we've dealt with at previous cons, there have been added one of the best wargaming and fantasy dealers, from Denver, Colorado, and another who has Japanese 1999 goodies. (We may even have one or two from across the sea.....)

WE NEED YOUR HELP. This is shaping up to be a great convention, as you can tell, but we've still got to spread the word and get more fans to share the fun. Tell your fannish ~~fiends~~ friends! If you don't know anyone in your area who's interested in 1999 or general SF, send a SASE to your Section Rep, and he or she can send you the names and addresses of past members of the Alliance. Also, anyone in the Georgia/Atlanta area who wants to help with local publicity efforts please contact the Georgia committee in Warner Robins (address listed later in the update). Do it today, because YOU can make a difference in the outcome--success or failure--of this convention.

POSTCON REPORTS: The committee to work on the post-con reports has now been filled. Our thanks to all who volunteered. And remember, if you're interested in receiving a copy of this excellent memento of the con and all its goings-on, all you need to do is send in for your supporting membership to the con, for a mere $7.00. Photos, transcripts of the lectures, news, activities--it's just too good a deal to pass up. And your supporting, non-attending membership also entitles you to participate in the mail auction, not to mention the fact that these memberships go a long way toward paying the expenses involved in the con.

HAVE YOU RESERVED YOUR BANQUET TICKET YET?

SUPPLEMENT TO MC 3/6

MEMBERSHIPS: Just a reminder that 3-day adult (15 and over) memberships are now $18.00. Other ticket prices are still the same (check previous SpaceCon Updates for more info).

OPERATION: EXODUS! If you're among this year's elated and restless graduates, why not add yet another goal to your future plans? If you're interested in holding a special Alpha-grad get-together at Con '81, write Eastern Section Rep Tod Ellsworth by July 1st, at: 3691 Sheridan Rd., Portsmouth, OH 45662.

AMATEUR FILM COMPETITION: All films with SF/fantasy themes invited. None over 30 minutes, please. Must be pre-registered to be shown and judged. Deadline for this is August 1, 1981. Nonattending members are welcome to enter their celluloid masterpieces, but are asked to remember to include sufficient funds for return postage and insurance, as well as the $2.00 entry fee. Send your SASE and check for the entry fee to: Tom Cicerelli, 29539 Shaker Dr., Wickliff, OH 44092; or to James Driscoll, 2406 Station Rd., Erie, PA 16510.

COSTUME CALL: The rules are basically the same as last year's.

**********BLUEPRINTS**********

Swift

This package contains 4 sheets of Swift blueprints and drawings done by Keith Young, one of our California members. Keith put a lot of work into these and has graciously allowed us to sell them through the Alliance. The Swift prints consist of a side view, front and back view and a top view of the space craft with the 4th sheet containing the identification key and information about the ship. Cost is $1.50 per set.
Keith has also done prints of the Centuri space station and of the Ultra Probe along with room blueprints of Moonbase Alpha. These will also be issued if there is enough demand. Keith also plans to do prints on the moonbuggy, Meta Probe, reentry glider, Alphan tanks and Voyager one. If you have any pics you feel will help Keith make these more accurate and are willing to loan them to him for this purpose, please let us know so we can tell him what we have. He would also like to design the Astro 7 space ship which was never seen. He would like to ask you what you think it would look like and then he will try to draw prints from your composite description. If you have any ideas send them in.
